#### **Establishing Homeopathy in Ukraine**

Dr. Ludmila was the main advocate to educate authorities in granting Homeopathy the legal status while running a Homeopathy clinic part of the Ministry of Health.

#### **Establishing Homeopathy in UAE**

Following seven years of working very closely with the authorities, Homeopathy was granted legal status United Arab Emirates and established herself as the first Homeopath / Holistic physician with a medical and doctoral degree.

Through her newly established clinic, Dr. Ludmila went on to secure recognition for previously unorganized alternative health treatment methods and offered a comprehensive family health and therapeutic treatments available only at the Holistic Healing Medical Centre.

#### **Patient Circle**

Since 2008, which is when Dr. Ludmila established her Dubai practice, she has positively affected the lives of more than 10,000 families and individuals from all over the world. 99% of the patients that seek Dr. Ludmila adopt her “Holistic Philosophies” and preventive-care-approach on long term.

#### **Developed Integrated Healing system**

Witnessing the limitations of modern healthcare systems, Dr Ludmila sought the use of her “Holistic Approach” philosophy to offer her clients an alternative and less intrusive methods of healing their bodies through empowering their bodies to heal rather than use medicine to merely suppress the symptoms. To achieve that she designed an integrative approach that synthesized and combined the best of western science with the natural, holistic perspectives and virtues of eastern practices.
